Representing the city were Glenn Rick, city planning director, and W. A. Kearns, city recreation director, representing the commission. The architect was Templeton Johnson.

The plans as adopted were then turned over to the city council with recommendation that they be used for the construction of the proposed building.

World Day Of Prayer Will Be Observed Feb. 16

(By Mrs. Kay Ward)

The World Day of Prayer will be observed by the Ocean Beach area in the First Baptist church of Ocean Beach at Santa Monica and Sunset Cliffs Blvd., Friday, Feb. 16. It is stressed that the observance is cordially open to members of all denominations. The church will be open from 10 o'clock a. m. on for individual worshippers who may wish to come in for meditation and prayer.

Under the direction of Mrs. DeWitt Fields, chairman, the following local churches are participating in the afternoon and evening programs: First Baptist, Point Loma Methodist, Assembly of God, and Trinity Episcopal church.

The afternoon meeting at 2 o'clock will include responsive reading, special music, and parables on the origin of the day of prayer, now become so famous. Directed prayer, led by Mrs. Fanny Henry, will stress the needs of all peoples of all nations in our troubled times.

A reverent and lovely candlelight service will open the evening meeting at 7:30, given by members of the World Wide Guild young men and women under direction of Mrs. Joe Hume, Jr. Rev. P. O. Jensen, Baptist pastor, will preside over the rest of the service.

Highlight of the 7:30 meeting will be motion pictures of the Philippines and China to be shown and interpreted by Mrs. Ruth Miller. These timely films were made by Mrs. Miller's husband, a skilled navy photographer.

The World Day of Prayer began in 1887 when members of the Presbyterian church felt the need to bring spiritual strength to their missions. It has met a need for so many others, that it has broadened and deepened to include many denominations in its program, and this year 51 nations are participating. The Sunday chosen every year for this religious event is the first Sunday in Lent.

Kiwanis Observes Boy Scout Week By Special Talk

Harv. Atherton, Main Speaker; 12 Scouts Special Guests

Ocean Beach Kiwanis club, at the Tuesday night meeting, observed national Boy Scout week, with Harvey H. Atherton, prominent San Diego Boy Scout leader, as the main speaker. He gave an inspiring from-the-heart talk on the value of Scouting, and urged the Kiwanians to make a special effort this year to visit meetings of the Boy Scouts of Ocean Beach.

Atherton said that in the 13 years he has been working with Boy Scouts he has never seen a time when there was as much interest in this phase of boy activities as now. "We have 6000 boys and 1400 active men in our San Diego Council area now," he said. "Nationally, one million boys are in scouting now and 10 million have gone through scouting."

"The San Diego Council in the past three years has had the greatest growth in its history."

"But scouting needs manpower. To give money to it is not enough."

"Boys want action and with our 125 different merit badges, action is what we give them. There is no mystery to boys liking the activity since it is just a natural outlet for a boy's energies."

He gave figures to show among the millions of boys who have been Boy Scouts, the percentage that have become criminals is practically nil.

There is no better way than Boy Scout training to combat and prevent juvenile delinquency, he indicated. Pointing out the need for scouting in this city, he estimated that the city is spending a half million this year for handling juvenile delinquency.

Martin Murphy, Ocean Beach scout leader, was the program chairman and 12 of the scouts of troop 28 of Ocean Beach were special guests of the club. The 12 were Linden Rancy, Jimmy Hart, Howard Mayfield, Walter Turner, Louis Bingham, Ralph Gastellum, Jerry Hansen, Robert Plant, Norman Reese, Larry Dickey, Bert Skinner and Cromer Hubbard.

At the business session, Glenn Jones, 1944 president of the club, was presented with a certificate of merit by Kiwanis International for the achievements of the Ocean Beach club under his direction the past year. Von Marshall of La Mesa, district lieutenant governor, made the presentation. Marshall was accompanied to the meeting here by a delegation of La Mesa Kiwanians, including C. H. McNary, E. J. Lehigh and Elmer Drew. Each of the four men was accompanied by his wife.

Another guest at the meeting was Anthony DePietro of the Shoe Hospital of Ocean Beach. He was a guest of Dr. W. B. Oster.

Local Places Of Business Undergo Many Changes

During the past week we'd just about given up guessing and planning on when we will open our places of business on lower Newport Ave., both Al Hunt of the Cache of Sweets and G. H. Faber of Faber's Grocery informed The News when interviewed Wednesday. The indications now are, however, that one or maybe both of these places will be open for business this week end, or at least by Monday.

Both places have been renovated from stem to stern, and the workmen were hurrying this week to complete their part of the remodeling.

"We'll open right away even though our remodeling is far from complete," Al Hunt stated Wednesday, "and even though we start with just the essentials of our stock and service. The rest will be rolling in and within two months we hope to have all the remodeling and new fixtures which we have planned installed."

New shelving is being placed on the east wall and new display counter for candy will be placed on the west wall, he said. "We are going out for the candy business for all it's worth," he said.

Four new booths are to be installed, which will nearly double the seating capacity of the place. New stove and new refrigerator are going in.

Al aims to put his artistic talents to work decorating the walls, which already have been tinted. A newly painted floor and new matting for the clerks and waitresses also are features of the improvement.

Everything New at Fabers New floors, new shelving, new light fixtures and new paint and kalsomine has worked wonders at the Faber Grocery, one of the pioneer stores of Ocean Beach. G. H. Faber, veteran grocer, invites all his friends and new customers as well as old to pay a visit to this store next week and take note of the improvements he has made.

Two on North Side Newport Remodeling and painting as well as other improvements also are under way on the north side of lower Newport Ave.

Fred F. "Scotty" McLeod and Arthur J. Cohrs are remodeling the building at 5008 Newport Ave. for a social club and eating place, to be given the name of "Scotty's." "We plan to make it one of the most attractive places for the customers to meet in Ocean Beach," he said Wednesday. Further details of their plans he said would be announced later since it will be about two weeks before the place will be ready.

Flower Shop Makes Changes

Jo Edward's Flower Shop is being renovated throughout and several changes as well as new lines of stock added to the business. A waiting room for customers while they wait and shop at their leisure is being partitioned off from the main room. A line of plastic ware for vases and shelves and other items are being added as well as additional stocks of cards for various occasions.

"We have taken over the flower-funerals as an added line to our floral business," Mrs. Edwards said Wednesday, "and we are prepared to provide this convenience to our customers. We now have fresh flowers coming in every Monday, Wednesday and Friday," she stated.

TRINITY CHURCH YOUNG PEOPLE TO ENTERTAIN UNITS, OTHER CHURCHES

The young peoples "fellowship" of Trinity Episcopal church, Ocean Beach, will entertain representatives of similar groups of the other Episcopal churches of the San Diego "Convocation" at a missionary rally, to be held Sunday evening, Feb. 11 at the local church.

Starting at 5:30 there will be a short business session, following which there will be a program with several speakers, a service of evening prayer and a half hour of entertainment and refreshments. The speakers include Dr. Joseph McSparran, who recently returned from Japan, who will speak on his experiences there; and Harold Wright, who will talk on the subject of "Rule of Life."

Jay Timmons, new commissioner of general affairs, will officially preside, offering with the flag salute the R.O.T.C. "Color Guard."

Wesley Kissell Honor'd

Wesley Kissell, senior at Point Loma high school, recently received notification that he had been awarded honorable mention in the 1945 "Science Talent Search" sponsored by the Science Clubs of America. Honorable mention not only carries with it a distinctive honor but serves as an aid in obtaining scholarships from any university in the country for advanced study in this field.

The contest sends the first 40 chosen on a trip to Washington, D. C. to the Science Talent Institute. From this group eight are chosen for scholarships which are given by Westinghouse. The top boy and the top girl are each awarded \$2400 scholarships for a four-year period.

Wesley placed in the next group of 260, being therefore in the top 300 chosen from 15,000 entrants. Three thousand from this group submitted the required essay on "My Science Project," took the Science aptitude test score and information sheet. Wesley says, "I am planning to enter Stanford University next autumn and I shall at that time apply for a scholarship, hoping my standing in this 'Science Talent Search' along with my high school record will secure one for me."

The board of education Tuesday approved the plans, will advertise for bids at once and expects to award the contract on or before Feb. 28.

At present plans are being checked by the State Department of Architecture, he says.

Civic Leaders Unite To Support Crary For Council

Committee Is Named, Local Headquarters Established

(By The Committee)

A group of prominent and influential Ocean Beach citizens, interested in good government and shoreline and Bay improvement, met here Wednesday and enthusiastically endorsed Gerald C. (Jerry) Crary, first district councilman who recently announced his candidacy, for the primary election to be held on Tuesday, March 13.

One of our citizens said, "Mr. Crary has done more for Ocean Beach in the short time he has served on the council than others who have served the full term."

The "Citizens' Committee—Crary for Council" has established headquarters in the Loftus Realty office where friends and neighbors can visit to receive more information about the primary election and the candidacy of Mr. Crary.

Composing the Citizens' committee are Milton Lancaster, chairman, Lloyd Greeson, Jerry Sullivan, Dan Moss, John E. Loftus, Glenn Jones and Martin Murphy, and Mmes. C. W. Early, D. C. Muchmore and W. L. Mead.

For eight years Mr. Crary has been one of La Jolla's leading business men as owner and operator of the Cleancraft Laundry.

Eight months ago "Jerry" was unanimously appointed to fill out the unexpired term of Fred W. Simpson, who resigned to take a position on the San Diego Water Authority board. "Jerry," as his friends call him, has become one of the busiest figures in Civic Center. First because of his sincere interest in all council problems and projects. Second, because of his enthusiastic desire to see that all the beaches, and especially Ocean Beach, are not only improved but also developed into beautiful "family beach" playgrounds where all the family can frolic and feast, swim and sun together. Third, because he has won the respect of Army, Navy, State and Federal authorities, in his desire to "clean up" Ocean Beach Front and Sunset Cliffs.

Recently in a public address he declared himself for "more water, more highways and better housing for all citizens."

With such a program and such vision he will devote the next four years to unselfish service in a determined effort to reach his objectives and complete the task which the people will assign to him when he is elected to the council.

Mission Beach Fun Center Has Record Crowds

(By Frank Guthrie)

Getting away to a bang-up start by setting a new all-time attendance record at the ballroom last week, Larry Finley will counter with another all-star show this week at his new Mission Beach ballroom when he presents "Tiny" Hill's Lucky Strike Hit Parade orchestra together with a sensational floor show headed by Jimmy Starr.

Starr will present his world famous "Hollywood on Parade" review featuring such names as "Chili" Williams, No. 1 pin-up girl of the armed forces, Miss Julie Gibson, star of Paramount pictures; Jack La Rue, had man of the screen; Jack Haley, star of stage, screen and radio. "Rags" Ragland, comic star of M. G. M. studios; Joe De Vita, new find of Warner Bros., Ben Blue, and that famous Hollywood "character" "Slapsie Maxie" Rosenbloom.

The crowds that lined the new musical-gateway over the weekend appeared well pleased at Finley's new policy on price. Concessions were said to have had one of the biggest week-end plays in the history of the beach. One of the numerous features of the new set-up was the sound which travels throughout the park at all times in the form of popular re-

cordings. Finley has erected 25 speakers at vantage points throughout the park and keeps the public well informed on all special features.

This week's duo-attraction would appear to be another "natural" as to crowd appeal. Hill's band is up-and-coming and will present the 365 pound maestro doing the vocals. His reputation zoomed sky high in recent weeks of his engagement at world famous Carnegie Hall. The second attraction, Jimmy Starr's "Hollywood on Parade", is in line with Finley's policy of presenting a big-time stage review along with a name band.

Dancing will get under way both Saturday and Sunday nights at 8:30 and will continue until one. As usual, there will be no admission to the park itself.

1/2 IS A LOT WHEN
 YOU CUT A CAKE—

... 1/2 is a lot to cut loan costs, too

• Yes, in personal loan costs, a saving of 50% can amount to quite a bit. Remember that when you borrow. Remember, too, that the cost of a Bank of America *Timeplan* personal loan, repaid at maturity in 12 equal monthly installments, can be as much as 50% less than the cost of a similar loan arranged through many lending companies . . . and there are no other charges . . . no deductions.

Jean Doyle Goes Into Finals Of Tennis Tourney

Miss Betz, U. S. Title
 Holder, Loses To
 Mrs. Cooke

Jean Doyle, Point Loma high school senior and tennis star, won her way into the finals of the mixed doubles in the fourth annual Beach & Tennis club championships, held at La Jolla Saturday and Sunday. Teamed with her in the doubles was Noel Brown, a Point Loma High graduate now attending Occidental College in the Navy V-12 training program.

This Point Loma team took the first set, 6 to 2, of the mixed doubles, played as the last event on the program at the La Jolla tournament Sunday, from Jinx Falkenburg, noted Hollywood film star, and Johnny Shea of Los Angeles. The latter team, however, went on the win the match, taking the last two sets 6-3 and 6-3.

Jean also got into the quarter finals in the women's singles Saturday, having defeated Mrs. Ruby Bixler 6-0 and 6-1. Jean then drew Miss Pauline Betz, national woman's tennis champion for the last three years, in the quarter finals and lost by scores of 6-1 and 6-1.

Coach Maxwell in Tourney
 Coach Wm. Maxwell of Point Loma high school also played in the tournament. He entered the men's singles Saturday and lost to Herbie Flam of Beverly Hills 4-6, 6-3 and 6-1.

Both National Champions Frank Parker in the men's division and Pauline Betz in the women's took part in the tournament. The former breezed through his matches in masterly style, winning the men's singles finals from Morey Lewis, a form-

er Canadian national champion, in straight sets 6-2 and 6-3; and in the men's doubles finals, teamed with John Sisson, the pair beat Lewis and Jack Knemeyer of Hollywood 6-4 and 6-2.

Mrs. Cooke Upsets Betz
 The sensational match of the tournament was the finals in the women's singles, in which Mrs. Sara Palfrey Cooke of La Jolla, the national women's tennis champion in 1941, upset the dope and defeated Pauline Betz, the present national champion, in the hardest fought match of Sunday afternoon. Mrs. Cooke won by scores of 6-4, 4-6 and 6-2.

Public Warned To Beware Slickers On Income Tax

That income tax accountant slickers are once more taking advantage of the public in San Diego is indicated by the numerous complaint now being filed with the Better Business Bureau, according to a statement made today by Charles Gurley, Bureau manager.

"Many newcomers not acquainted with reputable accounting firms have complained," said Gurley, "they have been charged \$25 or \$50 for help in making out their tax forms which were so simple that \$5 to \$10 should have been an ample charge."

"There is no ceiling price on services of this kind, and accountants are allowed to make any charge they wish. It is up to the public to make complete arrangements which will not allow such overcharges. Many inexperienced persons do not bother to ask what the cost will be, or if they do ask they are satisfied with an answer such as '\$5 an hour' or 'not very much.' Answers such as these leave the gate wide open for overcharges."

"Income tax returns in which the income is entirely from salary are relatively simple and ac-

countants know almost exactly what the charge should be. While prices vary somewhat, such work is done by the best firms at from \$7.50 to \$10, although some do it for as little as \$5. In complicated returns for rentals, dividends and similar income, charge by the hour is necessary."

ABRAHAM LINCOLN

Across the pages of time the name of Abraham Lincoln is indelibly written. No man in American history is more beloved than he.

In observing his 136th birthday next Monday the people of America reach out to his memory and, in the words and deeds which immortalized him, find new strength to meet the trials of today.

Few statesmen and leaders have ever so captured the minds of men or so stirred their imaginations as this gaunt, gangling rail splitter who came out of the wilderness and led the Nation in its darkest hour.

Perhaps it was because he had the common touch, because his words in their simple eloquence breathed an abiding faith in the freedom and dignity of individual man. Perhaps it was because he maintained the qualities of patience, compassion and understanding toward all, even during the most grueling months of the Civil War.

Lincoln fought not only to preserve the Union, but to put into practice the great truth that "all men are created equal." Today we are fighting for that truth on a worldwide scale. We are fighting so that men everywhere, irrespective of their origin, class or race may live as free men in a free world. That fight is being waged not only on the battlefields, but right here at home against the prejudice and intolerance toward minorities which must be eradicated if our Nation is to fulfill its destiny as a great power.

What Lincoln once said applies very much to this fight today. "This is essentially a people's contest. It is a struggle for maintaining in the world the form and substance of government whose leading object is to elevate the conditions of men; to lift artificial weights from all shoulders; to clear the paths of laudable pursuit for all; to afford all an unfettered start and a fair chance in the race of life. . . Our reliance is in the love of liberty which God has planted in us."

MacARTHUR IS BACK

When the Stars and Stripes came down in Manila on January 2, 1942, and the Japanese flag was raised in its place, one of the blackest hours had struck not only for the Filipinos and the Americans who were trapped on the islands, but for all of us here at home.

The war had been on for less than a month, yet the enemy spearhead had already pierced the heart of the Philippines. There were grave doubts in the thoughts of many that Manila could ever be retaken.

But now the yellow tide which swept in so arrogantly and so cruelly three years ago is receding under the counter flood of our arms and men. The fall of Manila cannot fail to give both Filipinos and Americans a sense of joy and satisfaction as keen as any experienced in this war.

In the long trek back from "down under" to liberate the Philippines, we have thought of General MacArthur's moves as so many amphibious leaps from one island to another. But it has also involved much footwork in plodding through jungles, and has required the use of thousands of American trucks to move supplies inland from the beachheads.

But the important thing now is that MacArthur is back. In time the liberation of Manila will be followed by the complete smashing of the Japanese yoke in all the Philippines. The bond of friendship between ourselves and the Filipinos has been welded unbreakably in the furnace of affliction.

ST. VALENTINE'S DAY

February 14 may be just another day to most of us, but to the youngsters it is a very special occasion when St. Valentine lends a helping hand to the flustered lads and lassies who have been winged by one of Dan Cupid's flying arrows.

To the older generation this sort of thing may be looked upon as "puppy love." Be that as it may, there are few times in a boy's life when his heart beats more wildly than when he sends a valentine to boldly declare his affection for the girl who sits opposite him in the fifth grade. And many a feminine heart has its flutterings, too, both before and after the envelopes are opened.

This special occasion has not been cancelled by the war. Eternal as the spring, February 14 remains the day on which the pulse of youth beats in double time as it makes the ever-thrilling plea, "Will you be my Valentine?"

IN THE SERVICE—

(Continued from Page 1)
with an armored division of General Patton's Third Army on the western front in Europe, after six weeks treatment at a hospital in England.

Lieut. Comdr. George B. Worthington Jr. of 3637 Dudley St., Point Loma, has been wounded in action in the Pacific theatre of the war, having lost the sight of his right eye. He holds the Legion of Merit, presented him 10 days before he was wounded. He has had 26 months of sea duty and has been with Admiral John McCain as air combat intelligence officer on a carrier. He was in action at Luzon and along the coast of Indo-China and Formosa. His mother, Mrs. G. R. Worthington, lives at 1746 Montecito Way.

Lieut. (jg) Loftin G. Stewart of 4674 Niagara Ave. was home over the week-end from San Pedro, Calif. and has returned there for another assignment to overseas duty. He has already had 2½ years of duty with the Navy in North and South Atlantic waters, having been at Iceland and Ireland and in South American waters of the Atlantic. His wife, and daughter, Sandra, are again living in their own home at 4674 Niagara and expect to be here while he is overseas.

Corp. Robert A. Wedgewood, a Point Loma high school graduate, who was twice wounded in action, is now in a hospital in England, according to word received here by relatives. He is a son of Dr. Paul Wedgewood, who also is in the service. Corp. Wedgewood, who has been overseas for 16 months, was first wounded in action while on duty with the Infantry in Normandy on August 3 last, then was hospitalized in England and after returning to combat duty in France Sept. 29 was again wounded on Nov. 26 while fighting in Germany. He holds the Purple Heart and also the Combat Infantryman's badge.

Pyote Army Air Field, Tex., Jan. 31—A new change in Army regulations allowing promotions of privates regardless of tables-of-organization ceilings, brought a promotion for Laird B. Swan, son of Mr. and Mrs. Frank Swan owners of the Ocean Beach News of San Diego, Calif. Pfc. Swan entered the Army Nov. 25, 1942. Because of grade ceilings he had served as a private until the first group of promotions under the new ruling was announced today at Pyote Army Air Field. Before entering the service he was a student at the University of Oregon where he was a member of Sigma Chi fraternity. Pfc. Swan is a flying gunnery instructor at this training field of the Second Air Force, which trains heavy bombardment crews for the unfolding aerial war of attrition against Japan.

County Group Of
Club Women Meet
In Ocean Beach

Ocean Beach Women's club was best to the officers of the San Diego County Federation of Women's clubs at their February session, held all day Saturday at the local clubhouse.

Mrs. W. E. Adams of San Diego presided and Mrs. Ben B. Sturtevant of National City was program chairman. Main business was the selection of the nominating committee for the election of officers at the spring convention to be held April 18-19, in San Diego Woman's clubhouse. Chosen for the nominating committee were Mmes. Edward Dwyer, Henry Gabbe, Alvin Werre, Frank Lane, Robert C. Shaw and C. F. Perry and Miss Kate Spani.

Miss Constance Ganong, nursing instructor of San Diego County hospital, talked of the need for medical and nursing textbooks for use of U. S. cadet and other nursing students. The women voted to appoint a committee to investigate the feasibility of using the money raised for a nursing scholarship for the purchase of these books. Mrs. W. E. Adams named on this committee, Mrs. Charles Mitchell, chairman, Mrs. W. C. Whittaker and Mrs. Mary Gemmell. H. M. Wells, of the telephone company, gave an informative and interesting talk on "Telephone Service In The War."

Mrs. Jack Milan of Chula Vista was the afternoon speaker, her subject being "Importance of Women's Clubs to a Community." Summing up the opinions of business men and civic leaders, women clubs are a driving force and great morale builders, she said. Music was furnished by the county music chairman, Mrs. Vivian O'Tolle. Prycilla Welch of Point Loma High sang two delightful numbers accompanied at the piano by Jane Parsons.

Coffee and sandwiches were enjoyed during the noon hour, many of the women bringing their own sandwiches. Coffee was furnished by the local club, with Mrs. C. H. Woolley as chairman of the serving committee and Mmes. S. M. Kyde, G. Melvin Hansen, B. H. Neilson and Q. G. Turner assisting. Mrs. C. W. Early, president of the Ocean Beach club, Mrs. Lyle Burkett, hospitality chairman and Miss Kate Spani, Mrs. Daisy Munchiando and Mrs. R. J. Long, past presidents, formed the welcoming committee for the visiting women.

Birthday Party
Features Meeting
Of O.E.S. Monday

A charming birthday party, at which nearly 45 of the members were honored, featured the meeting in the Masonic hall, Monday evening of Point Loma chapter, No. 490 of the Order of Eastern Star. Mrs. Melba Belcher presided as chairman and carried out the Valentine motif in the party. A red heart with white daisies and stock was the centerpiece of the head table and the other tables were decorated with large red bows and flowers. Dainty refreshments and candle-lit cakes, with coffee, were served.

Agnes Driskill, worthy matron and Walter Kidwell, worthy patron, presided at the chapter session, at which there was balloting on petitions and initiation.

The general chairman of the Red Cross for the Eastern Star emphasized the urgent need for blood donations at this time and requested members to notify the Chapter Red Cross chairman, Ethel Rogers, of any donations already given and any appointments they wish to make. There is again need for help in sewing

bandages at Red Cross headquarters, according to an appeal made to the members.
